We are just getting started... How about adding all the following, all with master resale rights? Cloak URL Software The new Cloak URL software creates search engine friendly cloaked pages for all of your affiliate links in just seconds! Aren't you sick & tired of using links like this:

the-url.com/cgi-bin/theiraffiliatescript/productid?2934&affid?3497... They're ugly, they break up in the emails you send and people immediately know you're promoting affiliate products to them. Now, with this easy-to-use software you can transform those long, ugly & embarrassingly annoying URLs into short, descriptive, search engine friendly links. Then sit back and watch your commissions go through the roof! You Get Master Resale Rights! Link Customizer Pro New Link Customizer Pro Software Creates Custom Links For You With onMouseOver & onMouseOut Status Bar Text ! There's no need to learn any HTML or Javascript because the software does all the work for you! This easy-to-use tool makes it extremely easy to make Search Engine Optimized text links with the following attributes: * onMouseOver text to be displayed in the Status Bar (for SEO purposes) * onMouseOut text to be displayed in the Status Bar (for

SEO purposes) * the Title attribute for all of your text links (displays table with text description) * Specify the URL for your text link (where you want the link to go) * Specify the text to be displayed on your webpage(s)
