"Here's An Easy Way To Generate Traffic To Your Websites By Harnessing The Power Of The Popular StumbleUpon Service" Dear Friend, Do you want a powerful new way to generate extra traffic to your website? You may have heard of StumbleUpon.com. It's a web based service that allows ordinary website visitors to vote for their favorite sites. The more votes a site gets, the more links and traffic it receives. Now with StumbleUpon Traffic Generator, you can offer your visitors a gift to encourage them to vote for your site on StumbleUpon, boosting your traffic on autopilot. All you need is a suitable gift (such as an e-book or software tool) and a copy of StumbleUpon Traffic Generator. When you use the software, you'll get a form like this appearing on your web page (note that this is just a demonstration and not a working form)... You can change any of the text, layout, colors etc. as you wish. You'll also want to add a description/image of the gift to the web page. When visitors use the form, their Stumbleupon account will be checked to make sure they have in fact voted for your site - and then they will be redirected to your reward page. Quick And Easy To Use Enter the web address of your website (e.g. mysite.com) and the web address of your reward download page. The software will generate a new script file - and generate some HTML and put it onto the Windows Clipboard, ready to be pasted into a page on your website. Upload the updated web page and the new script file to your web host. That's all there is to it! Full Master Resale Rights Included FREE StumbleUpon Traffic Generator is a great tool - but I'm going to make it even more profitable for you, by including full Master Resale Rights free! This means you can sell the software yourself and keep all the money. Just make one sale to recover your investment. I'll even give you a copy of this ready-made sales page to make it really easy for you. Just add your own order button to the ready-made page, upload to your own web host and you can be ready to take orders instantly. You can also use the software as a valuable bonus with other items you sell, or include it in packages and membership sites, or give it away free as a valuable bonus for your newsletter subscribers. All This For One Low Cost... Traffic is essential for any website. StumbleUpon offers an easy way to bring extra traffic to your site - but only if you can persuade people to take the trouble to vote for your site. With StumbleUpon Traffic Generator, you can offer a valuable reward for people to vote for your site - giving

you an easy way to boost traffic. With the traffic boosting power of this great software, you might expect to pay a lot for it. However I genuinely want to help bring the benefits of quick and easy traffic generation to as many webmasters as possible. So if you order right now, I'm going to let you have the software - complete with the valuable Master Resale Rights - all for just \$17. Tags: mrr
