Learn To Write High Response Sales Letters In Just 25 Minutes & 6 Quick And Easy Steps That Work Every Single Time - Even If Youve Never Written One Before From The Desk Of: Your Name Here Date: Date Of Writing Here I was talking to a good friend of mine last week. He just got into online marketing maybe two weeks ago, in contrast to my seventh anniversary edging ever closer. Anyway, during that conversation he asked me probably the most important question he could have asked that immediately told me that hes going places, and fast. This is what he said to me.. Do you know if theres something I should be working on, a skill I should start developing right now that will help my business grow quickly? Whats the most important job an online marketer can learn to do well? The answer was simple Learn to write sales copy I told him. Why? Fast forward 30 minutes and from not knowing where to start, from having never written a sales letter before, he left that conversation with a sales letter that continues to sell products at one sale to every 75 visits for his premium product (thats even before any tracking and testing on his part, theres no doubt in my mind itll improve).
