

# Satires Of Rome - Kirk Freudenburg

[DOWNLOAD HERE](#)

This new survey of Roman satire locates its most salient possibilities and effects at the center of every Roman reader's cultural and political self-understanding. This book describes the genre's numerous shifts in focus and tone over several centuries (from Lucilius to Juvenal) not as mere 'generic adjustments' that reflect the personal preferences of its authors, but as separate chapters in a special, generically encoded story of Rome's lost, and much lionized, Republican identity. Freedom exists in performance in ancient Rome: it is a 'spoken' entity. As a result, satire's programmatic shifts, from 'open' to 'understated' to 'cryptic' and so on, can never be purely 'literary' and 'apolitical' in focus and/or tone. In *Satires of Rome*, Professor Freudenburg reads these shifts as the genre's unique way of staging and agonizing over a crisis in Roman identity. Satire's standard 'genre question' in this book becomes a question of the Roman self. Author: Freudenburg, Kirk Publisher: Cambridge University Press Illustration: N Language: ENG Title: *Satires of Rome* Pages: 00308 (Encrypted PDF) On Sale: 1997-10-24 SKU-13/ISBN: 9780521803571 Category: Literary Criticism : Ancient and Classical
