

# New Linkbucks Clone Script

[DOWNLOAD HERE](#)

Earn a consistent revenue stream with ExitLinks! ExitLinks is a package that creates a traffic-exchange site similar to LinkBucks. Once installed, you can charge advertisers for ad space. Some of that money goes to publishers, whilst keeping a profit margin for yourself. more read: [scriptdorks.com](http://scriptdorks.com) Demo: [exitlinks.net/](http://exitlinks.net/) Real Price: \$225 User Features: \* Convert Links \* Choose either; Top-Frame ads or Intermission ads to be shown when link is clicked \* View Monies Earned History \* View Clicks History \* Request Payments \* Affiliates (coming soon!)
