Facebook. You're on it, your parents are probably on it, your brothers and sisters are on it, your friends are on it. It seems like everyone is on Facebook. Over 500 million people at the last count were signed up to Facebook and its popularity is still growing. The media can't get enough of it and the Facebook story has reached the masses thanks to The Social Network movie. This huge surge in popularity has made Facebook into a marketing powerhouse for 100s of 1000s of business around the world, especially through the use of Fan Pages. This is where the Facebook Fan Page Templates comes into play. I have created 7 exclusive fan page templates that will absolutely blow any other templates out of the water in terms of design and functionality (and this is just the 1st in the series). I'm selling these stunning templates complete with PLR rights. You can easily make \$147 minimum per client for installing just 1 of these mini site templates. Businesses can't get enough of them. If you don't want to do that you can just use them on your own fan pages to get massive subscriptions to your list or to promote your product. Here's an overview of what's included * 7 mini site templates covering everything from opt-in pages, video ads, complete mini-sites and squeeze pages right up to full on product showcases. * Complete Installation instructions. They are simple to install but if you need a helping hand, check out the bonus below. * Photoshop Source files for graphical header images so you can change them. * All graphics and FBML code. * Call to action images. * Horizontal Navigation Menu. * Various color schemes. * Stylised headers and sub-headers. * Video boxes * Share button * Content Area (easy to add your own content) * Aweber Opt-in form * PLR & Resell Rights Included!
