

Ten All American Novel Aprons: Patterns Cutting Instructions

[DOWNLOAD HERE](#)

Originally published in 1940, this vintage apron pattern book contains 10 authentic and delightful American-themed apron designs from the WWII years. Each design comes with complete, step-by-step cutting and sewing instructions, as well as charming and crisp illustrations. The colors and sketches of each apron design in the book are only demonstrations of what you can create, while the beauty is, in fact, the pattern styles. Once a style has been chosen, you can decorate it in any way you fancy -- embroidery, cross-stitch, crocheted edges, tatted edges, lace, etc. This superior apron pattern book is a must for any apron collector, apron club member or home seamstress. Format: PDF Digital Reprint, e-Facsimile No. of Pages: 15 Page Size: A4 (210mm 297mm) Download Size: 10.0 MB
