Discover Exactly How You Can Quickly and Easily Create and Sell Your Own eBooks Online and Get Rich in the Process! Dear Friend It made me absolutely sick......... I purchased ebook after ebook, trying to find just one that contained all the information you need to create and sell your own ebooks online. Each one just left me feeling more unsure of what to do and to be perfectly honest, left me more confused about how and where to begin. I just couldnt find a complete guide. Does this sound familiar? In the end, I got so fed up with all the fluff, filler and poor quality of these ebooks, I decided to put an end to it and create my own ebook that shows you exactly what you need to know, in great detail without all the fluff and filler. It made me so mad and I was damn sure that there must be lots of other people feeling the same way. So, just for you...... Introducing The eBook Success Blueprint The ONLY eBook you will ever need on this subject In this book, I leave nothing out. You will discover all the latest killer information you will need, from developing, to creating, to marketing your own ebooks online. Who is this ebook suitable for? The eBook Success Blueprint is suitable for...... * Internet newcomers or seasoned internet marketers * Anyone with or without any writing experience * People of all ages * Anyone looking to make extra money online * People who deserve more than what they have at the moment but until now havent found the answer to what they were looking for In short, this book is for you. Here is a brief summary of what is included in The eBook Success Blueprint.... * The hidden resources, you can use for free to choose your ebook topic * How to get someone else to write the ebook for you, for free! * How to create your ebook. (Choose the wrong option and you will be losing sales immediately) * How to create a killer sales letter. (Well show you exactly how, with copywriting tips from the experts) * How to create your website without learning HTML * You will discover all the no cost and low cost ways to market your ebook. (Forget FFA pages, safelists and classified ads, well show you how to really make money) * How to take your ebook to the next level of success. (Most people fail without this knowledge) * How to test and track all your marketing efforts with 100 percent deadly accuracy. So you can guarantee you will make money with everything you do! and lots more.......... What are thousands of people searching for? There are thousands of new people coming online every single day. All searching for one thing -

INFORMATION. With The eBook Success Blueprint Ill show you exactly how to find what these people are searching for and then how to create an ebook and sell it to them. It really is that simple. Ill go one step further..... Ill show you how to set it all up so that it runs completely hands free! Imagine waking up each morning to find that youve made money whilst you were sleeping! Here is more of what you will discover: * A hidden resource that will send you the top searched for words and phrases from the search engines, direct to your inbox every single week, absolutely free! With this information, you will easily create an ebook that will be in high demand. * The Quick and easy layout formula you will use for your ebooks, that makes it ultra simple to write a huge amount, without even realising it! (You will never have to worry about not having enough to write about again) * How to create PDF ebooks that can be used on any computers (ie PC and MAC compatible) without buying Adobe Acrobat Writer. (A $299 saving!) * You will discover the 7 Quick and Easy Headline Formulas - Your Instant Reference Guide To Creating Dynamic, Attention-Getting Headlines. (It is commonly found that 5 times as many people read the headline as the body copy. So you will need this to create the perfect headlines) * How to write killer ad copy just like the professionals. Learn this and you will have people falling over themselves to give you their credit card details! * How to create a professional, formatted web page to sell your ebook, without learning HTML. (This is so easy, even a child could do it!) * How you can easily accept credit card payments. (Takes less than 5 minutes to set up and you have no monthly or annual fees) * How to avoid the one fatal error many people make, when choosing their hosting package. (If you dont avoid this error, your site will be shut down) * The quick and easy FTP guide. Discover how to easily transfer your files to and from your server, with full simple instructions and even pictures! I have literally, packaged all the information I learned from the many ebooks I purchased and included only the good stuff from each one to make The eBook Success Blueprint. I have done this to save you making the same mistakes that I made. You will not have to search through hundreds of dollars worth of ebooks to actually find all the information you need. Here is more of what is included: * How to choose the perfect domain name. * How to price your ebook for maximum profit. * The Irresistable Joint Venture Formula. This lets you fly under the radar of large ezine owners and have them more than willing to announce your ebook to their list. * The hidden resource that you can use to advertise to lists of 100,000+ for just $20. (This has nothing to do with safelists, FFA pages, free classified ads or spam. This actually works!) * How to optimize your website for a high search engine position. (Make sure you dont lose out on all that free traffic) Learn from

my mistakes..... Never buy an ebook on the subject of how to create and sell your own ebooks UNLESS it answers the following questions: 1. How do I find a target market, that is actively searching for my product,even before I have created it? 2. How do I make my ebook a success, when so many others are failures? 3. I dont know how to write books, can I still be successful? 4. How do I convince other people to announce my ebook to their lists? 5. How do I generate targeted traffic to my website? 6. How can I create my website without learning complicated HTML? 7. How can I accept credit card payments without a merchant account? 8. How can I start my own affiliate program for free and get hundreds or even thousands of people selling my ebooks for me? 9. How can I guarantee my ebook can be viewed on all computers? (i.e PC and MAC compatible) 10.How is it possible to create and sell my ebook, even though I havent written it myself? (HINT: This has nothing to do with ghostwriters) My ebook answers all these questions and much, much more....... Not only will I show you how to create and sell your own ebooks, Ill show you how the REAL money is made online by using advanced techniques. Here is even more of whats included: * How to create your own ezine and build a list of potentially thousands of people, who you can market to over and over again. It really is true - The Money Is In The List. * How to use autoresponders effectively. These are one of the easiest and best tools you can use to make huge profits. * How to start your own affiliate program and get hundreds or even thousands of people selling your ebooks for you. Imagine having your own huge sales team that you only ever pay when they make a sale. You simply cannot lose. Ill do even better than that, Ill show you how you can set up your own affiliate program, for free! In no time at all, you will have people selling your ebooks for you. All you will be doing is counting the money that will be coming in! * The Big Mistake many people make with their online businesses. This mistake is the key between success and failure. If you avoid this mistake, you will make tons more money and make it a lot faster! In short, what you are getting with The eBook Success Blueprint is all the essential information I have learned from over a dozen other ebooks on the same subject. I desperately want to save you money and stop you having to buy lots of incomplete, fluff filled ebooks, just to get all the information you need. That is why I created this ebook. You will discover everything you need to know about developing, creating and marketing your own ebooks and get rich in the process! Here is exactly what you will receive when you order The eBook Success Blueprint now...... - The HUGE 58 page ebook giving you step by step detailed information. - A combination of information from over a dozen other ebooks on the same subject. It is packed with everything you need to know

about creating and selling your own ebooks online.
