Here's How To Drive FREE High Quality Traffic To Your Site And Start Generating Cash In Less Than 24 Hours... Here's Exactly What IS Working, Right Now, In 2009... The search engines are smarter now than they were even a year ago, not just Google, but Yahoo, Bing and others as well... At the same time your competition is smarter than they used to be... Everyone and their brother knows what SEO is, they know how to build or buy links... And your bigger competitors are already enjoying great rankings, with established authority sites and tons of relevant links. However there is something you CAN do to get an edge, and it works FAST... Following my step-by-step blueprint you will learn... How To Exploit Rapid Link Indexing... Get your links noticed by Google and other top search engines in hours, not weeks... And start driving your websites up the SERP's and receiving organic traffic in the least amount of time possible... The Correct Way To Use Parasite Hosting... Parasite hosting is using 3rd party websites to post your content and links... It's nothing new, but most people don't have a clue as to how to use it the RIGHT way and create a powerful linking system that actually produces RESULTS and doesn't get flagged as spam. How To Build An Authority Wheel That Works... If you thought linking directly to your site from 3rd party sites was enough to get the job done, you're probably not ranking as highly for keywords as you'd like to be, and chances are you're missing this critical tool in your SEO arsenal. Multi-Level Linking Explained... Think beyond direct linking, go one step further than building an authority wheel, and finally push your traffic and rankings to the next level using Multi-Level Linking... And make sure you do it right the first time so all of your hard work doesn't go to waste. Will Google Really De-Index My Domain? Absolutely, and anyone who tells you otherwise doesn't know what they're talking about... However, there are a few measures that you can take to make sure that it never happens to you, you can read all about it on page 26. Keyword Research Done RIGHT... This is another MAJOR area where people mess up and throw away all of their hard work... And it's probably the most critical step in all of SEO, trust me, you want to get it right the first time... That's why I've included a special software and separate guide specifically to ensure that you're performing your keyword research in the correct manner. My Personal Tools To Help You Automate The Process... I'll go into more detail below, but I'm also including 2 of my own tools that I

personally use to cut hours of work down to just a few minutes, and they'll help you to do the same. A List Of Over 250 Web 2.0 Properties That You Can Use To Build High Quality Links... And more importantly, I'll teach you how to use Web 2.0 properties the RIGHT way... So that you get high quality links from high authority domains, without being flagged as a spammer and getting your domain penalized. How Social Bookmarking Can Rapidly Boost Your Link Building Efforts... Very few people I know realize just how powerful social bookmarking can be... Again, there's a right way and a wrong way to go about it. I'll show you how to use social bookmarking in the most effective way possible. An In Depth Understanding Of How Links REALLY Work... What sites pass link juice? How far does it go? What get's you flagged as a spammer? How you can protect yourself... The anatomy of a backlink, why anchor text works the way it does, and much MUCH more... 63 Pages Bonus: Keyword Flood PDF ebook - 9 Pages Readymade sales page is included with this product, additional relevant product materials such as sales graphics, product eCover, editable .psd files, Wordpress theme, adsense niche site and etc may included with the product.
