Have you ever needed to recap a specific bit of information or help - remembered seeing it recently - but can't remember which training video it's on? Then you got sidetracked for two frustrating hours - shuffling through a dozen different video files trying to find it? Don't get me wrong ... Video media is a great learning tool. But when it comes to teaching a mechanical process (like setting up and tweaking a blog) many people find it easier to back-reference from a traditional media constructed of pictures and text. So even if you DO already have access to video training for Blogger and WordPress - these heavily illustrated step-by-step guides will be an asset in your digital library for a long time to come.
