

# Sales Trigger Generator - With Private Label Rights + Bonus!

[DOWNLOAD HERE](#)

Comes with FULL Private Label Rights, and a Mystery BONUS! Use This Powerful New Script To Force Your Visitors To Buy Your Products, Spend More Money, And Keep Coming Back For More! Let us get right to it..... To make more money from your website, you need to increase conversions on the traffic you are already getting. You need your salespage to sell more copies, and you need your visitors to spend more money with you. The "Sales Trigger Generator" Does Exactly That! Feature#1: Copy limit: Look at this example: "Only XX Copies Remain!" This is the FIRST HIT of the 1-2-3 Punch that Sales Trigger Generator delivers. Showing your visitor the copies remaining does two things for you. First, the falling number provides a sense of urgency for your prospect, and the lower it goes, the more it works....

Another advantage is it provides what is known as "social proof" that others are buying this product too - "so it must be great!" We are instinctive creatures, and when we see others doing something, we have more confidence in our decision to do it too. The SECOND BLOW is that the user cannot leave the page, come back later and still get your reduced price! When the user refreshes the salespage, or leaves and comes back later, they will automatically be redirected to your "page 2 offer". This page will have another offer for the visitor, only at a higher price. You will make more money by TURNING PEOPLE AWAY from your discount offer when they do not take advantage within your time limit, or if they do not order right away! Feature#2: Expiring Offers: The user cannot leave the page, come back later and still get your reduced price! When the user refreshes the salespage, or leaves and comes back later, they will automatically be redirected to your "page 2 offer". This page will have another offer for the visitor, only at a higher price. You will make more money by TURNING PEOPLE AWAY from your discount offer when they do not take advantage within your time limit, or if they do not order right away! Feature#3: Time limit: Look at This example: "Order in The Next XX Minutes, and Get The SOURCECODE and Private Label Rights to This Powerful Tool for Less Than \$200!" And MUCH MUCH MORE! Now, this is not like the commercials on TV that say "Order in The Next 10 minutes and get everything under the sun as an added bonus for FREE!" We all know that they are just using another ploy, and that we can call the 800# THREE

WEEKS from now, and STILL get the same deal, same price, same bonus. NOT TRUE When You Use Sales Trigger Generator! Now when you give your visitors a countdown, YOU MEAN IT! With that being said, when you click the order button you will gain access to this powerful script that comes with Unrestricted Private Label Rights!\* That is right.
