You Have Just Unlocked the Powerful Secret of Making Money With Online Forums... Forum Fortunes Software saves you time, generates targeted traffic to your websites builds your credibility, and will make you money! What a work of art Russell. This is a great way for someone who is active in posting to forums to keep a track of both their posts and all the responses coming back in. It means that someone can use your software to watch multiple forums simultaneously and Im sure theyll be a lot of forum addicts who will love to use your new software - good luck, Michael Green of howtocorp.com Date: December 13, 2011 From: Russell Brunson It is a little known fact that the fastest way to become recognized as an expert in your field is to contribute helpful and valuable posts on a regular basis in the forums that your target market hangs out in. Finally, there is a powerful new way for you to organize and post your valuable contributions to every forum you are a member of saving you hours of time and allowing you to spread your influence easily and rake in more money in the process! Thats where Forum Fortunes comes in... Online forums are like little communities where the residents know each other. There are countless message threads where people share ideas, concerns, opinions, and look for help. Imagine how many new customers you will have when you turn these thousands of forum residents into customers... Now you can! Automate Your Forum Message Posting and Replies With Forum Fortunes as you Become an Expert in the Minds of Future Customers! Forum Fortunes Software speeds up the task of message posting and replies to an unlimited number of forums while managing multiple conversation threads. Automatically track all replies and organize them as you can continue multiple dialogs. Using Forum Fortunes Software Is Like Having A Full-Time Administrative Assistant Who Monitors And Organizes Every Post You Make (Actual Screen Shot) Automate your forum posting and replies in just three simple steps: Enter a message into the message editor. Use the built-in browser to find the message boards that are related to your product, service or web site. Click the Insert Message button and your message is automatically formatted and posted! With Forum Fortunes Software you will also... Automatically track the replies to your forum postings. No longer need to manually search each message thread that you have posted to. Maintain the conversation and build rapport with the forum members from

your desktop. Become An Acknowledged Expert In Your Niche Using Forum Fortunes Software and Your Website Traffic Will Soar! Forum Fortunes is complete. There is nothing else to buy. It works with every message forum on the Internet. All you have to do is join the forums that are related to your niche market (search Google -- there are hundreds of them in your niche) and let Forum Fortunes start driving new customers right into the palm of your hands. Quickly Boost Your Search Engine Rankings By Building Link Popularity! Search engines are still one of the best ways to get targeted traffic directly to your website. Forum Fortunes will help you to boost your search engine rankings. Most message forums allow you to add a signature line in your posts that contain links back to your website or favorite affiliate program. As you post in more forums, your link popularity will grow. As your link popularity grows, your site will get better search engine rankings, and you will get more visitors ready to buy what you are selling. Forum Fortunes is the Fastest Way to make money using Online Forums. Plenty of Internet business owners just like you are using Forum Fortunes to drive new customers to their websites. Heres what a few of them have told us:
