Residual Income is another term for recurring income. Basically there are three types of income streams that you may have coming into your business. If you do a one-time job, sale or perform a contract, you get paid once and the income stops there. If you do a normal 9 to 5 job, you will continue to get paid as long you continue to work for your employer often called a linear income. This is the type of income that the majority of workers enjoy. Even if you are a neurosurgeon, lawyer or engineer, you are only paid as long as you continue working. You stop working and the bank account dwindles. DOWNLOAD NOW FOR MORE INFO!
