

Clickbank Promo Tools Generator

[DOWNLOAD HERE](#)

Attention Clickbank Marketers! Are affiliates signing up to sell your products on Clickbank but they are not promoting them as much as they should? You probably already figured out that you could increase your affiliates motivation if you offered them easy access to promotional tools for your products such as banners and text so that they could use this to push your product! However setting up a system like that up has never been easy, Until now! Introducing: THE CLICKBANK PROMO TOOLS GENERATOR. Now you too can present your affiliates with a Powerful Dynamic Affiliate Page For Your ClickBank Products And Give them Promotion Tools that they can use to promote your products. Up until now Clickbank offers your affiliates a basic affiliate URL to promote, but what if you could add to that and also offer images, banners, text and more to your affiliates arsenal of weapons so that they could increase sales for them and for YOU! Most affiliates are lazy and if you dont give them promotion tools to sell your product, they will simply move on to someone elses product and wont even bother with promoting yours. You know this to be true because maybe you have done the same. What if you were an affiliate and you had to choose between promoting 2 products. Product 1 offered the standard clickbank hoplink, but.. Product 2 presented you with a nice looking page full of images, banners, and other helpful promo tools that you could use to increase sales, which product would you then be motivated to promote? If you want to make really easy for your affiliates to make tons more sales, then you must offer them a selection of images etc that they can use right away and not just that affiliate link to promote your product. With the Clickbank Promo Tools Generator you can now create your dynamic affiliates promotion tools immediately. Create ready to use affiliate promotion tools for your affiliates with embedded affiliate links, graphics and popups, all of them prepared so that your affiliate can cut and paste it into their WebPages.
