Stop Working and become Independently Wealthy! Author/Entrepreneur Rohan Hall teaches the skills applied by Fortune 500 companies to dominate markets globally. He knows these skills because he has helped multi-national organizations to become the strategic dominating force on multiple continents - and have applied these same techniques to his own businesses. His book Stop Working takes the gloves off and teaches small and mid size businesses how to compete successfully and win against global organizations. Stop Working teaches businesses and entrepreneurs: How to build an Agile Business - and make money while you sleep How to use globalization to your advantage instead of being a victim of it How to become successful and get out of the rat race How to create indefinite cash flow and passive income How to put your business in overdrive by using technology, strategic relationships, and the assets of global organization Stop Working has received raves from global business experts at Microsoft, Nike and American Express to name a few: Stop Working! is a clear, concise and easy to understand formula to help you take your business to the next level, without requiring large amounts of capital and resources. All it takes is your idea, commitment and the Stop Working! formula and you're on your way to becoming a global player in today's business world. Keith Buggs, Microsoft Senior Licensing Manager I would advise my friends to buy Stop Working! and read it. Simple recipe, clear steps, real life examples, everything you need to take the next step in starting and building your own business. Gerard Paulin, Nike EMEA (Europe, Middle East & Africa) Global Manager. Never before have I seen such a concise guide on how to build a business by yourself, and how to fulfill your most essential of dreams - security. I love the ability and the hope it gives. Errol Chung, American Express If a journey of a thousand miles begins with a single step, and your journey is in business, make Stop Working! your first step! Stop Working! outlines all the essential components of starting your own business, or improving one that you have already started. It de-mystifies many of the trends and forces of the contemporary, global business environment so that anyone, from a high school student to an M.B A., can not only understand, but can apply TODAY to get results. Dan Fink, Global Supply Chain Consultant. He has worked with PeopleSoft, NEC/Packard Bell, Verizon, Fairchild Semiconductor, and Harcourt Publishing Build an Agile Business, globalize it,

create unlimited cash flow and get out of the rat race This is the age of globalization, technology and integration. Stop Working teaches you how to utilize these influences to build a business with very little capital that will compete with multinational organizations. Additionally, instead of just having vague instructions, the author show exactly how he has applied the Stop Working methodology to his own businesses. Each step in the book is illustrated by the author's real life examples of his own agile organizations. About the author Rohan Hall has spent the last 20 years helping companies develop global business and technology strategies. Some companies he has provided services to include: Hewlett Packard, PeopleSoft, Corning, Honda, Avery Dennison, Lockheed, Boeing, The american red cross, Sierra Pacific Power Company, and Robert Half.
