

# Link Popularity With Rights.

[DOWNLOAD HERE](#)

Master resell rights private label software! Customize the company name, program name, website and graphics! Good link popularity can dramatically increase traffic to your web site. Well placed links are an excellent source of consistent and targeted traffic. They can even generate additional search engine traffic to your site. Many major search engines factor Link Popularity into their relevancy algorithms. Increasing the sites which link to your site can actually improve your search engine rankings. Knowing who links to your site and increasing the number of quality links is an important part of any web site promotion effort. This software queries major search engines and lets you rank your site in comparison with the competition. You can even save results and view results over time to determine if your sites popularity is going up or down. Link popularity is also an excellent indicator of domain name value, and is extremely important when purchasing expired domain names. Handles unlimited websites simultaneously Save and reopen website lists Paste lists of domains into the program directly from our Expired Domain software Save results and view popularity over time Over 50 different charts available to display/print results graphically Website view lets you see raw data and view which sites each search engine has found that link to you Customizable High/Mid/Low profile rankings Does not Contain any Adware, Spyware, or other Third Party Software.
