Key Features: - Each article is professionally written by English Native Speakers. - On average, every article has about 250-500 words. - Every article in .txt format for easy editing. - The articles come with private label rights. You may edit them anyway you want. Here are just some of the ways you can pull in a profitable income with these premium content... 1. Put together a content site and put your Google AdSense code into the pages for hands free AdSense income. 2. Use the articles to attract new subscribers and clients to opt-in to your list and then use more of the articles to follow-up with them and sell them. 3. Create quality mini eBooks that you can plug affiliate links into to generate big time affiliate income. 4. Load up your articles on your autoresponder to go out once a week and have a newsletter set for a year in advance. 5. Add an eCourse to your products

as a bonus that goes out weekly! This will dramatically cut down on refunds because they want the rest of the quality eCourse that is continuing past the refund deadline! 6. Offer some of the articles as a meaty report that your visitors can give away to promote your site. You can even brand it with their links so they make affiliate income! 7. Arrange the articles into a full fledged paid product and sell it for big money! 8. Submit the articles under your name to all of the article directories you can get your hands on and get hoards of traffic, links to your site, and higher search engine rankings.

\*\*\*\*\* Bonus Gift!!! Get 25 FREE PLR Articles when you purchase this item. To claim your 25 FREE Reports go to: bargainhunterwarehouse Be a friend and tell others about us on Twitter, Facebook or MySpace: bargainhunterwarehouse

\*\*\*\*\* BARGAIN HUNTER WAREHOUSE - Your Source for Over 6,700 instant downloadable ebooks, PLR Articles, Software and Music items.

bargainhunterwarehouse.tradebit.com See What's New by Following us on Google (key word) Twitter BHWTradebit To access my compressed files, please use the following instructions. WinRar is an archiving software that is useful when you need to transfer a large file or a few files, and have a restriction on the total size. WinRar can compress these files in just one file with a smaller overall size, which makes it easy to send via e-mail or upload to a website. However, if you downloaded a WinRar file, you will have to decompress, or extract it, to gain access to the archived files inside. This must be done using the same software, which can be installed at no charge. Downloading WinRar 1 Click on the link provided in the Download Link and then click on "Save File" in the confirmation pop-up to begin downloading the WinRar setup file. Download from

freedownloadcenter.com/Utilities/Compression\_and\_Zip\_File\_Uilities/WinRAR\_Download.html 2 Double-click the saved file once the download has been finished and then click on "Yes" to confirm execution. 3 Follow the step-by-step instructions of the Installation Wizard to install the WinRar archiving software to your computer. Opening WinRar Files 1 Double-click the WinRar file that you want to open and the WinRar application will launch itself automatically. 2 Click on the file or files that you want to open in the WinRar window and then click on the "Extract To" menu button. 3 Go to the location on your hard drive where you want to extract the files to and click on "OK." Double-click the new extracted file to open it.
