Tracking your spending assists you in answering the following important questions: Where and what is my money going? In what way can I separate my expenses into categories, so that I may evaluate them? What boundaries can I set for myself, so that I can prevent spending on unnecessary things? In what ways can I track my personal spending to ensure that my spending stays within my boundaries? How will I use money I have "found" by closing monitoring spending to assist me in meeting my long-term goals?
