"The easiest instant auto-pilot income generator on the Internet!"... "How To Create Follow Up Emails For Any Product or Service in Minutes By Simply Copying and Pasting Information Into A One-Page Template!" ..."Finally There's a Way to Write Follow Up Emails For Any Product You Sell Generating Back-End Sales on Auto-Pilot!" From: FBM marketing masterkeys.tradebit.com Date: May 9, 2008 Re: Email Profits Dear Fellow Marketer, I'm going to get right to the point. If you can copy information from a sales letter and paste that information into a template then you stand to make substantial auto-pilot cash with the tool you are about to find out about. The product is called Follow-Up Email Creator Pro. Here's How It Works... Step 1. You read the questions and fill in the blanks with your answers. In some cases all you are doing is copying and pasting from your product's sales letter. Step 2. You push the Create button. Step 3. You view your newly created 21 follow up sales messages. Step 4. You copy and paste your follow up sales messages to Notepad and make any adjustments. You could add additional language or just keep the messages the way they are. Step 5. You load the messages into your autoresponder system. That's it. The total time to create 21 follow up email sales messages is between 15-30 minutes depending on how fast you can answer the questions. Imagine how long it would take if you were to manually write all 21 follow up emails by hand. Now here's some more stuff you could do with Follow-Up Email Creator Pro... 1. You could mix in articles in between your follow up series. 2. You could add value to ANY PLR product in a day or so by simply creating a series of follow up sales messages centered around the PLR product. 3. You could create follow up emails for Clickbank products and generate back-end sales with your autoresponder. 4. You could create follow up emails for resale rights products....And on and on. Here is what one customer had to say... "Maurice, with absolutely no marketing or ad copy skills, I was struggling for 3 to 4 weeks just to create a single website. Then I found Maurice Smith's '3-Minute Headline Creator' and 'Follow-Up Email Creator Pro'. The headlines have made a huge difference in the drawing power of my online business, and the automatically generated emails have helped me save untold hours of typing and editing follow-ups. With these two incredible tools, I have literally saved days and days! I now get a very compelling website up and running, with my

autoresponder messages loaded, all in less than an hour! This even makes a rocket scientist excited!" - Jeffrey Lawson Rocket Scientist gr8lifestyles.com/ultpowerpak.htm Just so you don't think I am exaggerating the scale of Follow-Up Email Creator Pro, here are some of the features and benefits you'll get. "Maurice, I just used your follow up email program. It is great. In just a few minutes I was able to create 21 emails. I have already loaded 13 into my autoresponder. With the template there, it is easy for me to fill in the blanks. Man, this program is great! - David Bullock Managing Director, White Bullock Group, Inc. davidbullock.net "But now for the ultimate question - will every follow up message look alike?..." Let me put it this way. "No one will ever know that you are using Follow-Up Email Creator Pro because each follow up message is unique to your product!". Each follow up email starting with the subject is unique to your product. Follow-Up Email Creator Pro uses proven words and phrases from proven email campaigns to blend with your product's content for each follow up email. In fact, if you buy Follow-Up Email Creator Pro today I will give you the following bonuses FREE! This simply means you can set up profitable follow-up email campaigns in minutes. But, you should be aware of this: if you have an opt-in list but don't follow up regularly you are losing out. And, if you are even thinking about creating follow up emails without Follow-Up Email Creator Pro then be prepared for a long, painful haul. Just don't say you haven't been warned. "Maurice, you sure have cut down on the creative work and left me time to promote my e-book to others. At first I was leery...or overwhelmed, but a few minutes later all fear was gone. The follow-up letter creator was doing it's thing. It couldn't have taken me more than a quarter of an hour to review my e-book's sales page and click the create button. I felt that your Headline Creator was good and knew that this piece of software would be good too! I was right. It didn't disappoint me. If you're squeezed for time...this software package will keep the 'time-thief' handcuffed. - Ron Wagner Senior Lay Pastor disciplehelp.com To get the exclusive, fully exhaustive Follow-Up Email Creator Pro click the link below!
