

Add Instant Content! Simple Q&a Script. Great For AdSense!!

[DOWNLOAD HERE](#)

Well, this is a simple script that pulls questions and answers from the yahoo answers site. It has its own admin section where you insert your keywords, your adsense code, your amazon ID, and you got a Q&A site in 5 minutes! These are some of the main features: * Ultra quick install. Edit one file, upload and you're away! * Its own administration panel. Modify your website any time, from anywhere in the world! * Automatic content retrieval and modification. The website literally builds itself! * Search Engine Optimized. Includes sitemap for google. * Ads on every page. Where there's content, there's an ad nearby! * Amazon Affiliate Products. Displays relevant amazon products * Highly Niche Targeted. Keyword focused pages + Highly relevant ads = more revenue! * Unlimited Scaleability. Make 10 pages with 1 keyword, make 10,000 pages with 100 keywords- it's up to you! * Relevant Avatar Images. Give your site that professional feel with automatic avatar images. * Category Colour Themes. Adds extra depth to your site. Each category can be given it's own colour and image. * Diminish duplicate content. This script automatically parses the content, thus creating unique niche content that search engines love. You can choose data feeds from the following yahoo sites and target your visitors by any of the following countries. * United States * United Kingdom * Canada * Australia * India * Spain * Brazil * Argentina * Mexico * Italy * Germany * France * Singapore You can take a look at demo here: this is the basic look that you get when you first install it. blackberryboldsale.com And this is what it could look like once you do something simple as adding a logo and changing the background color: proxysuck.com This is a great way for you to build niche sites without spending too much time and earning money the simplest way possible: through adsense. Stop giving your money to the domain parking sites!! If you got domains collecting dust, just slap this script and start making some adsense money. You can add this great money-making tool to your collection for \$29 bucks. Tags: php content script, adsense content script, add content to my site
