"Discover The Secrets To Creating Fast Selling, Profit Packed, Info Products That Sell Like Crazy!" Even If You Hate Writing And Know Nothing About Publishing. Timm Miller Dear Friend, I'm sure you already know that information publishing is big business, that it's a growing market and if you get it right you can make incredible profits. However 90 Percent of ebook authors will never make it. If you believe the hype surrounding information publishing I'm sure half the planet would be millionaires by now - but they're not, and only a limited number of people who create ebooks will ever make those massive profits you read about. WHY? Most reports / ebooks / ecourses on 'how to sell ebooks' only give you a single piece of the puzzle. If you search online you'll find thousands of 'How To's' mostly written by people that don't really know how themselves or those that do but really don't want to share all the facts with you. Well it's time for something a little different. . . . I'm going to tell you about my own book - "Easy Ebook Money" which takes you through every step to selling information products you'll ever need to know in detail. You get the whole picture - everything you need to know, and just to make sure... I'm going to give you with it every other ebook on information publishing there is worth reading - YOU GET THE LOT.
