Traffic Jam How To Get 1 Million Visitors This Year Love What You Do And Youll Never Work Another Day In Your Life Terry: Hi there. My name is Terry Telford from TerryTelfordAnd today, were very lucky to have Mark Flavin joining us. Now over the past year, Mark has put together a system of generating traffic that gets him over 1 million visitors annually. Thats over 3,000 visitors a day. And all that traffic translates into a gross income of about \$10,000 a month. Is that about right Mark? Mark: Yeah about \$10,000 yup! Terry: So as long as your website converts visitors into sales, it makes a very big difference to get a lot of traffic to your websites. So Mark, Im going to pick your brain and find out what youre doing to get that amount of traffic to your websites. I want you to show us exactly what youre doing and how we can follow in your footsteps. By the end of the call, Id like everyone to start developing a lot of traffic to whatever websites they want. So I think well start off by giving you a little introduction Mark. Mark is a computer science and economics student in University College in Cork Ireland, but hes taken the year off, because his internet business started doing so well for him. He wants to get things in order and make sure the business continues to grow. So I guess instead of me babbling on Mark, its probably better if I let you take over since its actually your life story and you could tell us where you come from, how you ended up getting online and how you got to the point where you are now. buy to view all the content and get extras!
