First off, you must really be thinking to yourself. "Can I Really Quit My Day Job In Under 30 Days?" The answer to that is YES. This E-Course will show you a way to do that with one specific and powerful method of using private label right ebooks. You've probably got a bunch of these somewhere on your hard drive as we speak! The problem is however, PLR content and ebooks on their own have very little value. That's the reason I say stay clear of selling PLR ebooks, especially when it comes to Flopping, because people see PLR as a quick fix and they do it all wrong and make ABSOLUTELY no money with it.... but this method WORKS Its something Ive spent a lot of time developing over the last month or so, because.... I am constantly being asked. Trevor, I NEED to quit my day job NOW, its sucking the life out of me, what can I do?. Well, I created an intensive 5 day E-course to answer that question. It's takes the power of PLR ebooks used properly combined with Website Flopping and FAST and easy product creation. If you're already Flopping sites and getting a lot out of the course, don't stop! 3 people in the last 30 days have told me that because of Flopping they have quit their day jobs. Awesome! Flopping is a fantastic way to make money online and the majority of what I make online comes from Flopping. Simply add this method to your repertoire and watch your income explode even quicker. BUT and I need you to understand this. This method takes work. This method takes commitment. Its a real business and needs to be treated as such. This is no fad and will not vanish overnight. This is a solid business you can start today and by weeks end have a considerable cash roll up your sleeve and depending on your circumstances, generate enough stable income to quit your job VERY QUICKLY. Its something that you can then repeat next week as well and the week after. In fact, there are many levels to this business and once you start off, you can make it more profitable each and every passing week. You will need a few things however. # A Microphone # Camtasia (free) Or Some Sort Of Recording Program (Audio Or Video Is Fine) # A PLR Ebook (Easy To Find) # \$50 To \$100 In Spare Cash Depending On How Much You Outsource With this method, Im going to answer the question that has plagued man for near on a decade. What can I do with all these PLR ebooks I have laying around?. This 5 day E-course will give you a step by step way that ANYONE can use to quit their day jobs within 30 days of finishing this course. I'll even

go as far as to say, if you follow this method to the letter, after reading the entire course and implementing it, you will have made your first money online and be on your way to quitting your day job in as little as 7 days. I guarantee this will work for you if you follow my plan to the LETTER This business on average has the potential to earn you anywhere from \$297 a day to \$597 a day and more if you decide to really crank up the volume and start making these sites profitable.
