Private Label Rights Description: Everything you need to know about overcoming your fear of public speaking, using language effectively, building your confidence and much, much more. This book will show you how to get that golden tongue which can draw out enthusiastic responses from the bottom of people's hearts and stimulate them to nod unreservedly to your discussion. The information contained therein is a condensed write-up of powerful principles and easy-to-follow steps to writing and delivering spectacular speeches. It will give you the crucial answers to such questions as "How do effective speakers really captivate their audience? How can they influence people by mere words? What can I do to be as successful as they are? How can I really conquer speech fright?" After reading this book, you will be able to: Overcome your fear of public speaking Manage speech anxiety effectively Prepare a powerful speech using 9 basic steps Analyze your audience to make your topic fit their interests Organize your speech carefully to improve understanding and recall Enhance the quality of your speech Organize an introduction that will relax you and your audience Identify the 3 qualities an effective speaker should possess Know how public speaking can improve your personal development And much, much more!
