Have Crowds Of Hungry Buyers Stepping Over Each Other To Stuff Wads Of Cash Into Your Pockets Right Now! Discover Low Cost And Free Ways To Generate Heaps Of Targeted Traffic That Will Cause You To Profit Beyond Your Wildest Dreams! So you have done your homework, discovered your profitable niche, the right product, (whether it be yours or an affiliate product) set up your blog and you're ready to have the profits come rolling in! Or are you? Too often, the scenario I see is this: Novice marketers set up the site, which is all beautifully set up, let it run Live and expect to see hordes of people stampeding over to them and buying their products. I'd hate to say this but: No, that doesn't happen in real life. You see, thanks to the interactive nature of the web nowadays you are expected to have a couple of things besides good content in your site: * Your site needs to have original, unique and quality content for it to be picked up by the search engine spiders. * Your site needs loads of trackbacks and backlinks in order to be discovered by the search engines for higher page ranking * You need to at least have a blog to interact and constantly update your information. Mind you, all these methods may be free but they won't be easy to implement. I should know, when I first started it took me months to consistently hit page one on the search engines! Yes, now, I appear first on the search results time after time but that is the result of a year's worth of intensive trial and error concerning the various search engine optimization and traffic generation methods. Today, I have no problem making a site achieve first page ranking easily with my personal step by step method on traffic generation which I carry with me all the time. This year, however, after seeing tons of marketers crash and burn in their attempt to achieve first page rankings in their sites, it was time for me to let them in on my tried and proven techniques of having swarms of hungry prospects flooding their sites. So right now I proudly introduce: Traffic Explosion Secrets The Quick Start Method Of Building Massive Targeted Traffic This is a compilation of the SEO and traffic generation methods that have worked over the years for me like gangbusters, and you can now have the same bees-to-honey effect with your prospects! This powerful guide holds many keys to generating loads of traffic, including: * The two most important main ways of getting consistent first page ranks in Google * What on-site SEO is and how simple and effective it is to execute! * How a couple of well written articles

can flood tons of traffic to your sites! * The place to publish your articles for optimum coverage...were talking all over the web here! * Leveraging on social bookmarking to divert streams of traffic to your main site * A short cut way to create your own viral marketing video easily without filming anything! * How to use fun social sites such as facebook and twitter to pull in heaps of fans and loyal subscribers! * Properly utilizing paid ads for your marketing campaigns...this could save you tons of time and money over the long term! * And much, much more! Now many greedy gurus and charlatan experts simply rip off information from loads of other sources, dump them into an ebook and slap a \$67 price tag on their revolutionary product, hoping youd be suckered into placing the cash in their hands. Sorry, but im not doing that because im not your typical snake oil guru. In fact, im going to let you have this guide for a tiny fraction of what others are charging out there. I know that people out there are struggling to pay their bills and put food on the table, which is why im not charging insane amounts like others do. I have also built up a reputation for over-delivering and undercharging my loyal customers and they will attest to that. Of course there are the skeptical ones who dont believe there are such things as good deals around. Fine with me. For the people who want to start experiencing the flood of targeted traffic to your sites today, this guide is yours for the low one time price of \$1.99!
