Landing Page Success Guide PLR tbit.ws/138013950 How to Craft Your Very Own Lead Sucking Master Piece and Build Your Mailing List at Warp Speed! You've definitely heard of the popularized maxim, The Money is in the List. But did you know that one of the most effective methods in list building you should master your skills on is creating your own Landing Page? A Landing Page, also known as Name Squeeze page or Lead Capture page in other circles of Internet Marketing, is one simple page that does absolutely NOTHING else but convert your visitors into subscribers of your mailing list. If you can achieve a 30-40% conversion rate then you're doing pretty good. Anything more than that is excellent but anything less than that it needs fixing! If the practice of Landing Pages still appeals to you as a totally new concept, then this book is a must read. Landing Page Success

Guide shows you how to create your very own Landing Page and design the system behind it so you can just set it and forget it while it collects leads like clockwork and build your list without having to involve you in the process! You Receive The No Restriction Private Label Rights To This Package. 11. Maximum Conversion Rate Tactics PLR tbit.ws/138013886 Increase Your Web Copy Conversion Rates Significantly by Making Small Changes! Ever since Direct Response Marketing went online, the use of One-Page Sales Letter and Squeeze Page business models has become increasingly popular. However, web copywriters know all too well that the biggest expense in life is the money you do NOT make. How does this apply to web copywriting? For example: if your conversion rate is 1, this would mean that every 1 in 100 visitors who visited your web copy would go on to be your customer. Of course, this would also mean that you have wasted the opportunity to convert 99 other visitors into customers. Sure, it is almost impossible to convert 100 of your visitors into customers. But imagine how much money you could make if the conversion rate has been tweaked for the better?
