Learn How To Anonymously Surf The Net, Stay Under The Radar & Protect Your Privacy While Creating A Proxy Website And Flipping It A For Profit!" Proxy Website Creation 101 Once you learn how to set up a proxy website, you can charge others to access your website and then use it to browse the internet while they are at work or other public places where certain sites may be blocked. There are people who will pay handsomely for that service. You can also use the proxy website for you own good and use it to browse the internet anonymously without worrying about someone tracking you down. You have a right to go where you want online when you want to and by using a proxy website you can exercise that right. Once you read this book, you will know everything that you need to know about how to set up a proxy website and get it ready for use. Then you can decide if you want to use the site for your own use or for the use of others. Either way, once you set up a proxy website, you will be able to enjoy surfing the net without a care in the world. No longer do you have to be treated like a little kid at work or anywhere else and be blocked from going onto sites online. Once you learn how to set up a proxy website, you will enjoy free reign of the internet no matter where you happen to be. And you can let your friends use the site as well, or even charge people to use it. It is easy and fun! This book will teach you everything you need to know about setting up a proxy website: 1) What is a proxy website? Not too many people even know that such a thing exists. But once you learn how to set up this type of anonymous website, you can use it for your benefit or allow others to benefit from this type of service as well. A proxy website is an anonymous website that will allow you to gain access to sites that may be blocked from work, school or other public places. 2) How can I get the proxy website to work for me? If you know how to set up a proxy website, which you will learn when you read this book, you can use it for yourself or you can give access to the website to those who are friends, relatives or even paid subscribers. You can have a proxy website for yourself as well as one for business. There is no limit as to how you can make this type of technology work for you. Here is what you will learn inside this guide.... Introduction to Proxy Sites The Basics of Proxy Sites Putting It All Together Monetizing Your Proxy Site File Transfer Protocol (FTP) Marketing Your Proxy Site Flipping and Selling your Proxy Site And So Much MORE!
