We have pre-built websites already to use. You can also build your own with the templates supplied. 42 have been built already for you. You also have 8 different types of websites which can be pasted into templates which would give you a total of 600. All of the folders have the main html code which can be copied and pasted into the additional templates. 1. Make a backup of the template you wish to use. 2. Copy the html code and paste it into the template html code. 3. Copy the images and paste into the folder. All of the websites have a generic PayPal ID: You need to change this to whichever one you will use. Change your-id40your-sitethe red colors to your PayPal ID: The 40 replaces the @ in your name. Free webhosting is available at doteasy.com 100 banners included also.
