Hot New Marketing Tactic Revealed: How To Get Thousands (Or Even Millions) Of Visitors To Your Sites With Free Online Video Sites... "Here's How To Get Unlimited New Visitors To Your Websites Without Paying A Penny (Other Than Video Production Costs) Using Free Online Video Sites Like YouTube..." Stop Putting Up With Expensive Banner Ads And Pay-Per-Click Campaigns Which Make You Pay Ongoing Fees... Does it ever feel like it is getting harder and harder to get new, qualified buyers to your websites to buy your products and services? Does it seem like search engine optimization actually is rocket science and other traffic generation methods like pay-per-click or banner advertising are always costing you more money? If so, you're not alone. New Report Reveals An Amazing Source Bursting With Traffic That Few Marketers Are Using... Did you know that YouTube serves up over 200 million video clips per day? It's true...people are flocking to online video sites in droves, and they are watching so many videos, that even network television is worried that they'll become obsolete. It's so wonderful because barely any marketers really know how to use it as a promotional method. But Creating Those Promotional Videos And Learning How To Optimize Them To Get Thousands Of Views Is The Hard Part... It could take you years and can cost you a small fortune to figure out just the right video creation and promotion techniques that make some online video promotions work - while others flop. But instead of knocking yourself out trying to come up with just the right video promotion strategy, you can now have it inside a new eBook called: TubeTraffic - Discover The Little Known Secrets Of Generating Free Website Traffic From YouTube! This amazing eBook is the result of researching over 200 websites and over 100 video promotions! Inside this eBook, you'll learn: How to do important keyword research on YouTube before you ever start to plan your videos (picking great keywords to tag your videos with). The most important information to look at when researching. What types of videos are popular? Learn the 10 important factors that are part of almost all wildly popular videos. Want people who watch your video to go to your website? Learn where in the video should you put your website URL. Everything you need to know about how to brand the video with your company name and site URL using free (and easy to use) video editing software. The secret to increasing your video views with custom thumbnail images. How to build your own

niche video community on YouTube with the groups feature. Explained: The 5 minute process to create a custom profile and your own custom channel information (This will give you a big advantage when people sort for 'Channels', 'Groups', and 'Playlists'). How to to add effects like titles, credits, transitions, and soundtracks to make your video an exciting multimedia experience. The secret of viral videos: Learn what makes people send YouTube videos to their friends, family and coworkers. How to use videos as a sales device on your company website (even if people don't find your video while searching YouTube, you can still use video to increase sales). What you should absolutely NOT do after you've uploaded your video. You don't want to miss this: Where to get amazing software which can animate a human face into realistic looking cartoon. Multiply your efforts with a list of more than 20 other very popular free online video sites. And You'll Also Get Actual Case Studies... "TubeTraffic - Discover The Little Known Secrets Of Generating Free Website Traffic From YouTube!" is just one click away.
