You Don't Have To Be An Expert Internet Marketer To Profit In The Offline World. A 21st Century Business Without A Web Site - Is Simply Not A Business. FREE BONUS - Plus you get to choose a FREE Bonus Gift from any product I have in my Tradebit Store! {One of equal or lesser value.} Here are just some of the highlights inside Offline Marketing Roadmap... Exactly why all offline businesses need to improve their marketing strategies, and how you can propel them to success from the existing knowledge you already have online The five elements you need to make your offline business professional (just carry out these and you can establish your business quickly and cheaply - and without paying over the odds) The only three methods you need ever consider to find clients, and 18 ways you've probably never even considered to easily advertise your offline services A useful trick to get over your nerves and market offline, even if you don't like meeting businesses to present your offers to them in person. A quick checklist for meeting clients for the first time to make sure that the offer you present is right for them The two page document that you always need to bring with you to impress a client (and the elements you can put in it that take just minutes to create and which can really wow your customer) How to ethically trick your customer to spend more money with you (miss this trick and it's like throwing away money which offline businesses are just waiting to pour on you) The one precise question you need to ask to close the deal (ask this question if your client is looking apprehensive and you can pull success from near defeat) And much more...
