Let me ask you a question! If you could have anything you wanted, and I do mean anything... what would it be? Let me tell you a little about myself. My name is Matt Henderson. And just a few years ago, up until 2003, I was an everyday wallpaper hanger. Thats what my dad had done and therefore I just fell into it. But I didnt much like it. But then guess what? Out of nowhere, a good friend of mine (Rusty Johnson) that I hadnt seen in years dropped by my house and told me about his internet marketing business. He talked about the money he was making but he wouldnt say much more than that. However, right before he left he said, "If you want to know what it is that I do, then come visit me for a few days in Nashville and I'll show you. Well, I had always dreamed of having more and being able to give my family more but it seemed that wealth had just eluded me for some reason or another. I mean, it wasn't for a lack of trying... that's for sure because God knows that I pretty much tried everything under the sun to make it happen. I tried painting, laying ceramic tile, sheetrock, I even tried trading options in the stock market. And when none of that worked, I delivered newspapers every morning

for a year and a half... all the while I was still hanging wallpaper every day. So guess what? I saw the opportunity and I jumped on it. _____ Go to my Tradebit page for more great products on many topics. abihud.tradebit.com/
