Creating Your Own Niche Product Most people who are new to the Internet, or even some who have been around for a while, believe that they can't create their own ebooks (or CDs, videos, etc.) because they can't write. There are also a lot of 'so-called' gurus or experts who want you to believe that it's more difficult than it actually is. The truth is, you CAN create your own ebooks and other products. And that you can do it fast! It doesn't even matter if you have any writing experience. Your main challenge will be to prove that you're an expert on the topic you're writing about.
