You've purchased this product with full Master Resale and Redistribution Rights. More The Best Products with PLR or MRR at [lucky7.tradebit.com](http://lucky7.tradebit.com) Real Estate 101 - Buying Your First Home! Exclusive Offer! Never Before Revealed Information! Are you tired of paying someone else's mortgage? Are you listening to the buzz that is telling you that now is the best time to buy a house but are afraid to act? Have you been thinking what it would be like to own a home of your own? If so, I might have the answer that you are looking for right here. If you have been looking for an opportunity to purchase a home of your own but are afraid to do so, don't know where to look, how to look or what to look for, I can help you! The thought of purchasing a home can be daunting, especially for a first time home buyer. Most people want to buy a home of their own, but are not sure about getting a mortgage. Where to look. How to make an offer. It all seems very complicated when you think about it. And when you think about it on the broad scale, it may seem a like too much trouble. But it is really too much trouble NOT to own a home of your own. If you are paying rent, you are paying someone else's mortgage. That's right - you are helping someone else get rich. You are not only paying their mortgage, but you are not even getting a tax deduction for interest or property tax that can really benefit you with regard to your income tax payments. You may think that you cannot afford to buy a house, but you cannot afford NOT to buy a house. Even if you buy a small condo, you are better off than renting. And now is the best time to do it! Now Is The Time To Buy! If you are like most people, you want to know all about something before you go ahead and do it. That's why I can help you. I can tell you everything that you need to know about buying a house in simple terms. Anyone can afford to buy a house with today's interest rates and offers. There is simply no excuse to rent any longer. If you are tired of making someone else's mortgage payments and want to take advantage of the low interest rates and buyer's market that we have today, I suggest that you buy: Real Estate 101 - Buying Your First Home! This book makes it easy to not only buy a home, but figure out everything that you need to do, even get a loan. In simple and easy to understand language, it talks about where you should buy a home, what to look for in a home, how to find a home, how to get an agent, how to get a mortgage and more. This is a step by step process that you, a new home buyer, can use to purchase a home. All the

information that you need to purchase a home of your very own, including what types of mortgages to get, is right here in one book. "Real Estate 101 - Buying Your First Home!" has already been a big hit with some new home buyers in the test market, but is now available to everyone for a short period of time. There has never been a better time to buy a house. The mortgage interest rates are rock bottom and so are the home prices. If you have ever even thought about buying a home or are renting, you need to act now. Whether you are planning to live in the home or use it as an investment to rent to someone else, this book is a must read for the novice homebuyer. This book will teach you simply everything you need to know about buying a home... Real Estate 101! 1) What To Look For! Maybe you are not sure what type of home you should buy or which areas you should look to buy a home. Maybe you are uncertain about real estate prices. This book will teach you how to tell the difference from a good home and a bad home. If you want to not only buy a home but also make an investment, you need to read "Real Estate 101 - Buying Your First Home!" 2) How to Get It! You can not only find the right home but this book tells you exactly how to get it - from negotiating the contract to the closing and everything in between. If you wanted to learn about how to get a mortgage, how to make an offer and what to expect at the closing, you can find it right here in "Real Estate 101 - Buying Your First Home!" Here is what you will learn inside this guide.... The Real Estate Market Today What To Look For In A Home The Location Of A Home How To Get A Mortgage Title and Survey Issues And a lot more! How Much Is That Worth To You? For only \$17, you can have the opportunity that you have always wanted. Live the dream of most people and own a home of your own. "Real Estate 101 - Buying Your First Home!" will teach you everything you always wanted to know about buying your first home. Don't put this off any longer! Something brought you to this page and compelled you to read this letter. You have been waiting for this opportunity all of your life and fate has brought it into your life. Do not be afraid of buying a home of your own and do not put it off any longer. Reading this book is like someone taking you by the hand and going with you step by step through the process of buying your first home. Let's face it, we all need a place to live. Why pay a mortgage for someone else when you can be paying yourself? And after all, that's what you're doing when you rent. Once you read this book, you might feel tempted to kick yourself for not buying a house sooner. Don't. Just be glad that you found out now what others already know and act on the tips that you learn in this book. There truly has never been another opportunity like this in history to be a homeowner.
