The Beginners Guide to Making Your Own Dress, Dressmaking Patterns, Style Lines, Silhouettes, Balance, and Proportion. Dress Label, Stitches, and Thread.... You do not have to wear off the rack dresses any longer! You can make your own fashion statement on the world!... Inside you will find all the things that hot dress designers do not want you to know. All the secrets to designing the perfect dress for you is inside in an easy to read format. You will learn which fabrics are more forgiving and how to make your fabrics work for you and your body figure. With Dress Making - Beginners Guide you will never need to by a dress off the rack again! With Dress Making - Beginners Guide you will find solutions to hide a short neck, or a plumper figure. You will learn which fabrics work best for which figures. You will also learn how to accent the positive and down play the negatives of your particular figure. And there is way more yet... Did you know that certain colors make you appear larger then life, while others will make you appear just plain large? Did you know not everyone with red hair could pull off a red dress, however depending on the shade of red hair you have there are ways you can get around the fashion police. Wear a one of a kind dress that was made to flatter just your figure 1) Allow Your Dress to Reflect Your Personality You will no longer have to wear what clothing manufactures think is stylish. You can create your own dresses according to your style and personality. Your not stuck wearing a dress that fits you well, however the colors, design or pattern is doing nothing for you. You choose the style, design, color and fabric used to create a dress made just for you. 2) The Possibilities are ENDLESS Guess what? You do not need to use a manufactures made dress pattern to create a dress. You can create your own dress patterns, OR, you can mix or match patterns, copy dress styles and so much more to create your unique dress. How Many Times Have You Thought You Found The Perfect Dress to Only have One or Two Aspect of it Fit You Right? What if you could have every dress you put on fit you perfectly? How Much Is That Worth To You? P.S. Did you know that if you have a thin neck and narrow shoulders, it is best to avoid dress patterns that sport a wide or boat style neckline. You will be more flattered by V-shaped necklines, tie collars, or a mandarin standing collar. Well that is just the beginning of insight you will get in this guide Dont waste another minute with having to get alterations. Be your own person and design and

create your own dresses. Tags: plr
