IDEA # 1 If your partner is going away for a few days, tell her that you are worried about her so you have organized a bodyguard to look after her. Then give her a small teddy bear. * IDEA # 2 Buy a packet of glow in the dark stars and stick the stars on the roof above your bed to spell out a message such as "I Love You" When the lights go down, your message will be revealed! * IDEA # 3 On a special occasion, buy your partner eleven real red roses and one artificial red rose. Place the artificial rose in the center of the bouquet. Attach a card that says: I will love you until the last rose fades. * IDEA # 4 Buy the domain name of your partner's name if it is available for example TanyaJohnston.com. Create a web page containing a romantic poem and a picture of a rose. When your partner is surfing the web, casually ask whether she has ever checked to see whether her domain name is taken. Let her type it in to discover her page. * IDEA # 5 Buy a stylish hand mirror and give it to your partner as a gift. Include a card in the box saying In this mirror you will see the image of the most beautiful woman in the world. Tags: happy
