The Little Prince (French: Le Petit Prince), published in 1943, is French aviator Antoine de Saint-Exupry's most famous book. Saint-Exupry wrote it while living in the United States. It has been translated into more than 180 languages and sold more than 80 million copies making it one of the best selling books ever. An earlier memoir by the author recounts his aviation experiences in the Saharan desert. He is thought to have drawn on these same experiences for use as plot elements in The Little Prince. Saint-Exupry's novella has been adapted to various media over the decades, including stage, screen and operatic works. This book is in .mobi format.
