

# Lights, Camera, Action -your Guide To Filmmaking Plr!

[DOWNLOAD HERE](#)

If Youve Ever Wanted The Secrets To Making Your Own Film, Here It Is! Have you ever wanted to make your own film? Is there a story you want to tell? You might even think that this is impossible. Studios make films, not the little guy. This is probably what you tell yourself. Do you watch films with more than a casual eye? You probably want to know how they were able to get perfect lighting in your favorite scene, or how to write a professional screenplay. Do you watch the Actors Studio and hang on every word they say? My last question is, do sit in your seat at the movie when its over watching the credits as everyone else files out the door . I know you have dreamed about it, but have you ever seriously contemplated making your own film? Yes Virginia, you too can make your own film, all on your own. If you have played with the idea of what it would be like to direct a film then you have already made an imaginary plan. Why not make it a reality. What else are you doing with your time, going to work at the factory everyday? Are you thinking that Filmmaking is only for studios and professionals? I believe that Independent film has changed all the rules. Doors are opening all over for aspiring filmmakers. Why not give it a try, what do you have to lose? With a little imagination and a lot of hard work you can do this, but you need the basics to get your started. If you feel like you dont know where to start the process, I will show you. This E-book will give you the necessary information in filmmaking that it would take a couple years in college to get. Not to mention hefty tuition fees. Everything you will need to know to get started is in this publication. I give you the benefit of what I have learned over the years. With this information you should be able to get started with a professional looking film. Who needs the studio to make a film when you can do it yourself. Here is what you will learn inside this guide: How to develop a concept How to write a professional screenplay How to purchase and operate a camera How to light your scenes professionally Audio for your film Finding a location How to make a production schedule A list of equipment you will need How to promote your film And lots more! \_\_\_\_\_ See My Store For More Deal!!!
