

The Bible Unmasked - Joseph Lewis

In taking as my subject for this book the question of the morality, or rather the immorality of the Bible, I realize at once the importance and delicacy of the subject. This is true, because what is immoral in one age and time, may at some other time, be considered moral, and what we to-day may consider moral and acceptable, may at some future date be condemned as being immoral. Therefore, the subject that I have chosen for my book is as delicate as it is serious, as there is always the possibility of saying something that may be entirely at variance with the conceptions of some of us regarding morality and its phases.

Please Note: This book has been reformatted to be easy to read in true text, not scanned images that can sometimes be difficult to decipher.
