Quietly Reveals The Shockingly Simple Steps He Used To Crack the First Page of Google In Only 8 Days Simply Using A FREE Service No Prior Knowledge or Website Required... All You Have To Do Is Rinse and Repeat... 100 Percent Guaranteed Dear Frustrated Internet Marketer, We all know what being on the first page of Google could mean to our bank account... The question is how can that happen for me.... Im sure youve read ebook after ebook and watched video after video, but still havent had any success... That goes for 99.9 percent of us! All the experts point to this... and they point to that... and we follow right along... and as their bank account gets bigger... ours gets smaller... Time and time again, day after day, we hear Google is the Holy Grail of traffic And You Know What? That Statement is 100 percent Correct But getting there is not so easy... or wed all be well off.. Right? So the million dollar question is- How do I get traffic into Google? or better yet How Do I Get on the First Page of Google? Have you ever heard of Squidoo. Google Loves Squidoo! You Can Achieve Top Ten Rankings on Google! You Are Going to See Exactly How Paul Approaches Building a Squidoo Lens... And Lens Are Not Created Equal! You Can Easily... * Generate Affiliate Income * Improve Search Engine Rankings for Your Websites * Drive Visitors to Your Websites and Blogs * Generate Subscribers * Turn PLR Articles into Money Generators * Achieve Top Ten Ranking on Google * Even Make Donations to Charity... Pauls NO FLUFF guide shows you exactly how he approaches building a Squidoo Lens... to bring in traffic by the truckload. You get everything you need to know about how using Squidoo can sell more, promote your business, and grow your list. The Squidoo Blueprint Includes 5 Separate Components: 1. SquidooBlueprint Manual Pauls NO FLUFF guide shows you exactly how he approaches building a Squidoo Lens... to bring in traffic by the truckload. You get everything you need to know about how using Squidoo can sell more, promote your business, and grow your list. This step-by-step guide includes: * Why Use Squidoo * Building Your Lens * Covering The Modules You Should Use * Day One of Your Lens * Advanced Techniques ... and more 2. Squidoo Profits Step-by-Step Since Pauls guide assumes you have some experience with Squidoo... I wanted to cover all bases... with another guide that

assumes YOU KNOW NOTHING. Squidoo Profits offers you step-by-step details on how to set up Squidoo marketing campaigns, from the point of keyword/product research, all the way up to the final touches. 3. How To Build A Massive List With Squidoo This is my favorite bonus, and once you see it you will know why. This bonus is easily worth the value of the whole course by itself, and many times over. I will teach you how to build huge e-mail opt-in lists with Squidoo, a strategy which will undoubtedly bring you income for months and months down the road. 4. 15 Hot Niches on SQUIDOO As if it was not enough that I take you by the hand through setting up a campaign, I give you 15 Hot Niches to get you started on your Squidoo marketing efforts. Once you see sales with these 15 Hot Niches and have experience, you can branch off and start experimenting with other niches. These niches ideas have come from months upon months of research. 5. How To Easily Dominate EzineArticles With Squidoo Find how you can dominate EzineArticles on (almost) any keyword using simple Squidoo tactics...(12 pages...but a true gold nugget) Imagine Watching Your Business Grow From Zero Subscribers and Zero Money to 1,000s of Subscribers and Money Whenever You Want it? Squidoo Blueprint Can Help Get You There! Do you want to know what it will cost you to get access to the Squidoo Blueprint? I decided to price it at an incredibly low price only \$1.99!
