Give me 45 minutes and I'll teach you to change the way you think about and handle money... Learn The Exact Ways To Find Needed Cash When You're Living Paycheck To Paycheck, Strapped For Funds, And Don't Know Who To Turn To... All of a sudden and without warning, your roof begins to leak! Your hot water heater shuts down and your computer goes up in smoke, the clutch needs to be replaced in your car and your son decides to have his wedding on the Isle of Oahu - all of this within the same week... What do you do? FBM Dear Friend, Do you need to know how to curb bad spending habits and start saving emergency funds? And quick? The truth is, many people find themselves in your position throughout their lives. And it doesn't have to do with how much money you make. In fact, a recent study found that middle class workers often had the least cash on hand of any other group. Even of those in the lowest income groups! Once you realize that your lifestyle often decides how desperate you are for cash, it can be the awakening that teaches you to change your habits. "Who Else Wants To Turn Their Financial Emergency Into An Organized Plan For Recovery?" The best time to start changing your financial habits for the better is when you are faced with a lack-of-cash emergency. Suddenly your faced with the fact that something needs to change if you are ever going to be financially free. Within my 80 page guide, "The Money Crisis Manual", you'll learn all the tricks, tips, and cost-cutting strategies you need to start saving and earning emergency funds. The report downloads straight to your computer and you can get started raising that cash in less than an hour from now! ...here is just SOME of the information you will find inside... * The first key to handling any money emergency. * The biggest mistake people make when they meet a financial crisis. * Why you should think twice before borrowing from your 401k or IRA. * How smart citizens take on a hobby that can translate into cash when they're strapped. * How ignoring smaller details can lead to disaster. * The secret to planning ahead for unexpected (but inevitable) surprises. * How to put money away in an emergency fund - even when you don't think you have the discipline. * A good rule of thumb for using credit cards ("...don't use the cards for anything can either [blank] or [blank]"). Best used when you can't get yourself to cut your plastic up. * Ways to trim your expenses down each month starting at home. * The secret to creatively saving up a large chunk of cash

just by reacting to everyday situations! * Life changing financial tips to start adding to your life today *
Everyday tips for saving cash day in and day out (starting now)! * Ways to keep your old lifestyle and
save money doing it. * How to change the way you think about money. * The "money-game" creative
savers play to stock up a hefty chunk of cash. * Questions to ask yourself to re-evaluate your life. * Ways
to keep yourself from becoming so emotionally overwhelmed you can't make any progress at all. * Ways
to immediately ease the burden when suddenly hit with a financial crisis (without borrowing). * Credit
cards to compare (if you must use one) that will reward you for doing so. * Emergency preparedness lists
you may wish to put together to make sure you are ready to deal with unforeseen disasters. * And so
much more... The Secret Of Coming Back From A Financial Emergency Stronger Than Ever Before... All
in all, my guide is full of ways to start compiling cash from all corners of your life in order to find
emergency funds fast. I take 80 pages to give you "The Money Crisis Manual" that anyone can use. Many
people pay financial planners as much as \$150/hour to help them find ways to save money - and it's often
