Come On... Isnt It Time You Had Your OWN Product to Promote? Finally, You Can Learn the Closely Guarded Secrets to Creating, Publishing and Selling Your OWN eBook... Without All the Hassle! Dear Fellow Marketer, When I first started out with Internet marketing, I did what most people do. I joined affiliate programs, and started promoting other peoples products for them. After all, I was new to online marketing, and I wanted to start earning money right away. I figured if I worked hard enough, the money would start pouring in. Well, after a few months I came to realize something. I was working hard, and earning some-but I wasnt earning enough! I wanted to see a real return on the time and effort I was spending. And then the realization came to me: the real earners are the people offering their OWN products for sale online. They THEN get other people to sell for them! It was if a light bulb had gone off inside, as I finally got it! Are you tired of selling for others? Would you like to have your own product to promote; one that will earn you money over and over again? Then I strongly urge you to consider writing and publishing ebooks. Ebooks are still one of the hottest selling items online today. Recent statistics from CyberAtlas have proven this: when interviewed, half of all respondents stated that they were considering buying an ebook in the near future, and of those surveyed had already bought one! I cant think of any product that sells faster, or can give you a greater return on your investment at this time. eBook Creation for Even the Writing Challenged At this point, you may be thinking, Well, that sounds great, but Im not a writer Im not either! This is one of the best-kept secrets about creating and publishing ebooks: you DONT need to be a gifted writer. Ill show you why in the pages of Ebook Marketing Secrets ANYONE can create their own ebook. I lay out the exact steps it takes to find a great topic and research it. I show you how to build your ebook, chapter by chapter. I even show you some phenomenal professional resources if you need help editing (or even ghostwriting!) your ebook. Thats just the beginning, though. Ebook Marketing Secrets is literally filled with advice, since I reveal to you the insider tips and methods that the pros use in publishing and promoting their books. Theres no reason that you cant start marketing ebooks, after learning the information inside this exciting guide. Learn How the PROS Do It! There are a lot of myths about creating and marketing your own products that Ill dispel inside

the pages of Ebook Marketing Secrets. == You DONT need to be a marketing expert to get your book noticed (just use the tips Ill teach you and youll soon be marketing like the pros) == You DONT need a huge web development or advertising budget (Ill share with you tons of free and inexpensive resources, including some exciting free bonuses). == You DONT need to be a search engine optimization expert to get traffic to your site All you DO need is the desire to write and publish your book, the willingness to put in some real time and effort, and the desire to start earning real income. Ill teach you how, step by step. If youre interested in learning how to create your own ebook, and start watching income flow in from your very own product (instead of someone elses!), then I would like to invite you to sign up absolutely free! There youll learn more about Ebook Marketing Secrets, where I share with you the exact techniques that I use for creating highly successful ebooks that sell. I want you to be able to take advantage of the solid advice and useful tips that it contains to create your own, and I share with you insider tips on marketing it effectively so that you can start earning right away. After all, isnt it time you got to promote your OWN ebook, with YOUR NAME on it? Why sell for others, when after reading this, you can be producing and selling for yourself? Heres to the start of your successful publishing career, and to the income that could be yours,
