TheeSuccessCode.com How To Give Your Website An Instant Search Engine Boost A few simple changes to your web pages can give your sites a huge search engine boost. All you need to know is how to structure your pages for maximum effect - WITHOUT - compromising any of your content. And unlike expensive search engine software that does the same thing, in this product I'll reveal the 10 Steps you must take to make sure your pages are fully optimized for Google (also for Yahoo and MSN) so you can easily get a ton more search engine traffic for free. In this in depth product you get sixteen videos that show you exactly how to boost the search engine rankings of your pages quickly, easily and for free. Here's exactly what you get in these sixteen powerful videos:

----- Video One In this video I'll talk you through the difference of "On Page" and "Off Page" Search Engine Optimization, and how to benefit from both.

----- Video Two Here I'll show you one simple change you can make to your pages that will make them a lot easier for the search engine spiders to read and understand. The effectiveness of this simple change will surprise you.

----- Video Three In this video I'll show you how one single element of the page can cost you very dear. You probably don't even consider this when creating a page; most don't. But by overlooking it you're losing a boatload of free traffic.

----- Video Four Here I'll show you how to boost the search engine relevancy of your pages in literally eleven seconds flat.

----- Video Five In this video I'll show you how to structure probably the most important section of your whole page. So many people get this wrong, but with this video you'll know better, and will find it much easier to list higher than your competition!

----- Video Six Here I'll talk you through how to effectively use "hidden tags" in your pages. -----

Video Seven In this video I'll show you how to easily influence exactly which description text the search engines use for your site. -----

Video Eight Here I'll talk you through one of the most important HTML elements of your page that will help your search engine rankings greatly. -----

Video Nine In this video you'll discover how to structure your page text so it's exactly what the search engines are looking for. -----

Video Ten Here you'll discover how to automatically (and for free) check that you haven't over optimized your page into what search engines consider "spam". I've seen software selling for \$100+ (amazing but true) that does this, but I'll reveal where to get the same functionality for free. -----

Video Eleven In this video you'll discover a clever way to instantly optimize your graphics for the search engines. -----

Video Twelve Here you'll discover the quick and easy way to optimize all the links on your site for the search engines.

----- Video Thirteen In this video you'll discover a very little known way to instantly boost the relevancy of your page links.

----- Video Fourteen Here you'll discover the automatic way to make sure the search engine spiders LOVE your pages.

----- Video Fifteen In this video I'll show you how to easily avoid one of the biggest pitfalls ... that if you don't fix now will lose you ranking and even get your site banned from the search engines entirely!

----- Video Sixteen Here you'll discover what NOT to do on your pages if you're serious about free search engine traffic. Many people still use these outdated and downright dangerous tactics on their pages thinking it will help them get more traffic. In fact it does the exact opposite. ----- For PC's Only -

Not For Mac I must tell you that this eBook only works (to my knowledge) on PC's. If your computer is running Microsoft Windows, you won't have any trouble at all viewing this eBook successfully. However, if you're on a Mac you'll more than likely have trouble viewing it. A Great Product + Resale Rights = BIG Profits For YOU I'm sure you know there's a ton of eBook resale rights around these days.
