Do you want a quick source of information on the subject? If you answered 'yes' to the above questions then you don't want to miss this ebook on the swine flu virus... swine flu virus book A few of the topics covered in 'Swine Flu Virus'... * A brief history of pandemics * Exactly what swine flu is and isn't * How swine flu spreads * Symptoms of swine flu * Is swine flu related to bird flu? * What to do if you suspect you have swine flu * How to avoid getting swine flu * Treatment of swine flu Play the audio for a short introduction from the author And there's more... * Can you eat pork safely? * Why pigs are getting a 'bum wrap' * The facts on virus shots -- do you need one and are they safe? * The emergency warning signs in children that mean 'act now' Plus I'll tell you how to set up an 'alert' to get emails sent to you immediately when news breaks on swine flu... In the book I show you how to set up a free alert system that will send an email to you when any news is published on the internet about swine flu. And if you only want to get alerts if they affect you locally, you can set it for your region or city. And it's easy...trust me. (This alone is worth the price of the book if you don't know how to do it) Also included are Resources where you can get more information, plus a handy Emergency Contact Form that you can print and list important contact information in the case of an emergency. This is great to keep right by the phone. If you're looking for a weighty tome on the subject of swine flu, don't buy this. But if you're looking for a short, concise, no-fluff overview of the topic then you won't be disappointed with Swine Flu Virus. Swine Flu Virus gives you a great snapshot on the subject of swine flu and pointers on how to protect yourself.
