"Discover How You, Too Can Create Your Own Line Of BESTSELLERS Using Existing Content On The Internet FREE OF CHARGE... And Legally!" If You Are In The Information Marketing Business Of Any Kind, Online Or Offline, You Will Do Well To Discover The Secret Weapon Of Top Marketers That Have Enabled Them To Spawn Series Of HOT Sellers In Their Name Using Content That Readily Available Elsewhere! Spawn a countless series of potential best sellers for your own in any niche imaginable? Get quality, time-tested content for your Info Products, blog, e-zine, reports, and/or more from an already available resource? And achieve this legally and FREE of charge or low-cost? This has got to be one of the best kept secrets and in a real essence, an ironclad wealth-building weapon used by some of the Internet's TOP marketers and even Infopreneurs in the conventional brick-n-mortar business! But firstly, what this "thing" ISN'T is: No, it's not Private Label Content. No, it's not paying ghostwriters to write for you (it can be costly and unless you have deep pockets, this option is best left out!). And... No, it's not securing free reprint rights to existing articles either. Introducing: Public Domain Riches
