"If You Had the Chance- Right Now- Would You Trade One Night at the Movies For a Flood of Hungry Traffic & Opt-in Subscribers? Attention: Read on to find out how a measly 33 bucks will get you access to proven strategies for generating as many new subscribers and web site visitors as you want From: Brett Ingram RE: Viral Opt-in List Growth with Advanced Techniques Dear Future Internet Millionaire: Imagine someone showing you the same advanced list-building techniques the Pro's use to build Massive opt-in lists and turn them into money machines. The bigger your list, the more money you make on every offer. Imagine someone saying, "Here are 18 ways to do it," and any ONE of those ways can double your results. What would happen if you used all 18? Well, your imagination is going to become a reality right here, right now. Fact: The #1 source of income and profits for Internet marketers is their opt-in list of subscribers. It's not flashy web pages. It's not new, innovative products. And it's not mass advertising all over the Web. Experts estimate that 95 of all Money made online is generated from opt-in lists of subscribers So, what's your best investment to make profits online? The exciting idea behind opt-in list building is that it doesn't matter. - it doesn't matter who you are or what your "experience level" is. - it doesn't matter what "niche" or target market you're devoted to. - it doesn't matter what you're currently doing to make money online. I don't care if you're a 19 year old college student or a 92 year old grandma that likes to knit quilts. If you've got an Internet business or want to start one...if you market your own products or are promoting others' as an affiliate...then I can show you how to build a massive subscriber list you can use like a cash machine. So, just answer one question... How much money do you want to make? Go ahead, name your amount, then use this to get there... "18 Advanced Techniques to Virally Supercharge Your Opt-in Signups & Skyrocket Your List without Breaking the Bank" shows you 18 proven ways to build your opt-in list faster than you've ever thought possible. Any ONE way is worth \$1,000s because each and every new subscriber is cash in your pocket--for a lifetime! Think about it: everyone who "opts-in" to your list is giving you permission to email offers and make sales for life! And you get all 18 Advanced Techniques, including: "18 Advanced Techniques to Virally Supercharge Your Opt-In Signups & Skyrocket Your List ...without Breaking the Bank" *Not available ANYWHERE else on

the Internet! * The deadly mistake that 99 of list builders make that robs them of hundreds or thousands of signups (Technique #1) * The unfortunate misunderstanding that keeps most list builders spinning their wheels and wasting time and money (Technique #2) * The 5 things your signup page must have to squeeze 100 out of your web traffic & maximize your signups (Technique #3) * The simple, 5-minute setup tool that will instantly double or triple your new signups without changing anything (Technique #9) * The "big secret" behind all viral list building, and the amazing way to automate the process (Technique #11) * The "hidden goldmine" of resources you can use for free, that can literally explode your viral list building (Technique #12) * The virtually unknown, untapped source of promotion that gets your ad in front of 100,000s, with no competition, for pennies (Technique #15) * The powerhouse "combo" technique that grows your list virally, on autopilot, even while you're asleep! (Technique #18) If you want to grow your online business and, ultimately, the profits you can actually spend each month, then this might be the best investment you can make.
