

The Public Domain Advantage

[DOWNLOAD HERE](#)

Discover How You, Too, Can Create Your Own Line of BESTSELLERS Using Existing Content from the Internet FREE OF CHARGE... and Legally! If you are in the Information Marketing Business, online or offline, it's time you discover the Secret Weapon Top Marketers are using to spawn a series of HOT selling products in their name using content that is readily available elsewhere! What Public Domain Really Is... A work considered in the public domain includes any work for which the copyright has expired, and not been renewed, any work that was published prior to 1923, works produced by the United States Government, and other specific Governments, Work that is donated to the public domain, or any other work that has no laws that restrict its use by the public. In This Manual, You Will Discover: * How to determine if a product or content is available for free "unrestricted" use legally in a flash! * The BEST places on the net where you can find quality Public Domain content, * How to choose the BEST Public Domain material to suit your needs and objective, whether it is Info Product creation or even offline publishing! * Where to find Public Domain photos, music and even films! * How to get Public Domain materials from the U.S. Government! * How to maximize your benefits and profits from using other people's work in the Public Domain! * What it takes to quickly & easily edit "obsolete English" Public Domain content to become "modern!" * 7 totally different, unique, killer ways to milk profits from Public Domain works! * Some critical and important legal aspects you MUST know about Public Domain - explained in simple English... minus the lawyer's way of talking legal mumbo jumbo! And so much more!
