How To Create Cash Windfalls On Demand... 100 Guaranteed! PLUS - A Special Bonus For You: If You Order Today You Also Get Full Resale Rights To This Product And Website So You Can Sell It Yourself And Keep Every Single Dollar You Make! Hi, Im Louis Allport, If you know HOW - bringing in cash windfalls with affiliate marketing can be surprisingly predictable - and - easy. A bold statement? Okay - let me start talking you through it: Just linking to a site through an affiliate link is not enough. Heres why: The link may not be clicked. So before anything else, you need ways to make sure people are happy to click on your link. And then - even if they click, cookies may be deleted (this often happens these days, and this means you dont get the commission). So you need a way to make sure people WANT to be referred by you. Yes, it is possible. And after that - even if they click and want to be referred by you, they may not buy. So on top of everything, you need to know how to make people want to happily buy NOW through YOUR link. And it is possible to surprisingly easily align all these factors so you can create affiliate cash windfalls on demand... The Three Pillars Of Predictable Affiliate Cash. Lets go through the three pillars again quickly: You need the visitor to click through your link. You need to keep the cookie on their computer, so that you get the commission. You need visitors referred by you to want to buy NOW (which earns you the commission). And whatever you may have heard, it IS possible to line up all these factors surprisingly easily and surprisingly predictably. BUT - for maximum success you need to get all the details right. And thats what Im going to reveal for you - Ive put together a series of videos that talk you through every single step: These easy-to-duplicate affiliate windfall secrets come in the form of seven brand new videos you view directly at your computer. Ive bundled these powerful videos into a product called Affiliate Windfall Secrets: These seven videos come to a total playing time of 79 minutes. Heres a quick run down of exactly what you get: - Video One (5 Minutes) In this video youll discover the building blocks to creating affiliate cash windfalls on demand. - Video Two (13 Minutes) Here Ill go much more in depth into the exact step-by-step elements you need to put together to make sure your affiliate promotions are a runaway success. - Video Three (10 Minutes) In this video Ill talk you through a case study of mine - a slightly different way to put together an affiliate promotion, that can also work incredibly well (it also has a

number of unique advantages too as you'll see). - Video Four (11 Minutes) Here I'll talk you through real life case studies of email promotions I put together, and how you can use these as templates to help you profit even more with your affiliate marketing. - Video Five (17 Minutes) In this video I'll talk you through how I put together the design and copy of an affiliate promotion web page - you'll see just how easy it can be. - Video Six (8 Minutes) Here I'll talk you through how I create and use PDFs to help affiliate promotions stand out. - Video Seven (15 Minutes) In this video I talk you through a case study of a certain affiliate promotion that pulled in hundreds of sales in less than a week - and - you'll see exactly how it was done. For PCs Only - Not For Mac I must tell you that this eBook only works (to my knowledge) on PCs. If your computer is running Microsoft Windows, you won't have any trouble at all viewing this eBook successfully. However, if you're on a Mac you'll more than likely have trouble viewing it. A Great Product + Resale Rights = BIG Profits For YOU I'm sure you know there's a ton of eBook resale rights around these days. BUT - if you really want to make money selling an eBook you have rights to, you need: - A very high quality product. - An effective sales letter. - A professionally designed website with great looking graphics. Now - this eBook is brand new. Get a copy now, start promoting it immediately and you'll make the most profits. Wait a day or a week or a month, and literally more and more profits will pass you by. Now, I'm certainly not saying this to brag, but I wrote this sales copy, and my copy has sold hundreds of thousands of dollars worth of products online, if not millions of dollars worth. AND - from very affordable eBooks like this one. Don't believe me? Then search Google for Louis Allport and see what you find. Now, the Google index does fluctuate for many reasons. But right now (as I'm writing this), I see several thousand websites selling my products. Even if each one of those sites is selling just one copy of a \$20 eBook a week that I wrote the copy for, that adds up real quick. My copy and products have made many people a LOT of money over the past two years. They can make YOU money too - all you need to do to get started is grab a copy of this product. And just by having a copy of this product, you can sell it or present it pretty much any way you choose. You can even turn it into a physical product by putting it onto a data EBOOK or a DVD. This would make it a good way to sell on eBay. It's totally up to you! It's More Than A 90 Day Guarantee - It's A Promise Unlike most people, I'm not going to bury my guarantee and hope you forget about it. I'm putting it here - right out in front. And you're reading it now because you really can't miss it in this bright yellow box. That's the point. I'm this bold, because I know you will LOVE this product, and find it hugely valuable. But, if for any reason for up to 90 days (that's a whole three months) after purchasing this

product you choose its not for you, all you have to do is use the simple contact details at the bottom of this website for a full, prompt, and no quibbles refund. Im telling you this so that you realize there really is absolutely no risk to you at all. Click here now to order. If youre interested in the resale rights and selling this product yourself, Im sure you realize that the sooner you get a copy, the more you will profit. The longer you wait, the more your competition will pick off your customers. This video eBook is only \$24.95. Click here now to download your copy. Sincerely, P.S.
