For 100s of unique & interesting titles, please type: * Manuel Ortiz Braschi * in the Tradebit Search Box above. Interested in Making a Perpetual Self-Renewing Income? Want to lead a recession proof life? Are you ready to have your customers commit to buying from you again and again and again? Enroll them in a Membership Site! You dont even have to sell a product! Learn how to make a killing selling them unique information! These strategies for creating an online business can earn you thousands, even millions of dollars and furthermore it is a lot LESS hassle than you think. In my eBook, 1 Month Membership Riches, I outline several reasons why you might want to open your own information site even if you have an online or offline brick and mortar type business (meaning that it sells goods or services) in place anyway. You will learn - Why the customer feels committed to you after you give them the information they want. How getting the information they want can mean that they are willing to spend more money on their business than anyone elses. How you can study your customers behavior to give you an indication of how much money they are willing to spend on a membership. How having this kind of self-renewing membership site can save hours chasing down new prospects every day. In this eBook I outline what kind of information your site should provide so that your customers find you absolutely irresistible. You will find out -- What the essential resources are that you absolutely need to have in place before you begin building this type of site. How to create and offer your clients the kind of information products that get them interested in the first place. Just what is a prospecting list? Why you need more than one webpage to collect subscribe information so you can gather clients for this type of site. How to focus the design of your website so it meets your goals when it comes to converting new list members. How to add content materials that might help convince visitors to visit your site, get out that credit card and enroll in your membership site. How to interest visitors who belong to a niche market such as dog owners. How you can use promotional and advertising materials to appeal to your customers. How to build a simple back office system that is set up to deal with a list of subscribers. How to direct your customers right to the page they need to sign up on. Why your site does not have to be that flashy to get visitors to enroll in it and in fact why this kind of thing can actually discourage them from enrolling. How to register a domain

name. How to determine quality and value material and why that is essential for the well being of your information site . What is plagiarism and why you should never copy someone elses work and post it on your information site as your own. Promises that you absolutely must make to your customers regarding privacy, opting out of the list and spamming them. How to come up with a bribe or free gift that you can offer your visitors to encourage them to sign up for your membership conversion. How to create perceived value for a free gift so that your visitors will sign up for a membership conversion. How to create a free eBook that you can give away in about two hours to encourage your customers to enroll in your site. How to construct a phrase that will attract customers to your site and want them to belong to your exclusive club. How to find the focal point of the information that you are going to supply to your members . How to give them additional information to augment the information that you used to draw them to your website in the first place. How to think a little more outside the box on order to make huge profits. What sites to look at in order to discover the objectives that people want to achieve. How to study ClickBank in order to find out what kind of information people are looking for. And A Lot More!
