"9 Cool, Unusual & Even Wacky Ways To Make Money With Your Camera" One of the easiest ways of making extra money is with a camera and because of the popularity of digital cameras, photography is one of the fastest growing hobbies in the world. Yet using a camera as an extra income tool is largely overlooked! With a little imagination, a flair for showmanship, and just a hint of salesmanship, the average person, or even teenager, can easily make an extra \$300 a week with their camera.
