PLR Included This ebook gives you a complete method. The ebook shows you EXACTLY HOW to write and SELL. You can be a published author much faster than you imagine. How to use this ebook First, read through the book, to see what information it contains. Next, work through the book, chapter by chapter. As you read each chapter, do the tasks and the exercises in the order in which they appear. Doing them will help you to write not just one, but many book proposals. Remember, the primary aim of this book is to help you write your first book proposal and be well on the way to selling it by the time you've worked your way through all the chapters. How do you write a book proposal? You write a proposal step by step. In this ebook, we'll work on your book proposal together. Each chapter has tasks for you to complete. Once you've completed all the tasks, you'll have a book proposal which has an excellent chance of selling. Here's what we'll cover: (Day One) Getting an idea for your book. (Day Two) Developing the idea and expanding on it. Assessing the market. Who needs this book? What's the competition for the book? (Day Three) Writing the blurb. Outlining your book. (Day Four) Researching your book proposal, and fleshing out your outline. (Day Five) Writing a proposal query letter. Sending your query letters to agents and publishers. (You send the queries while you're working on the proposal. This helps you to gauge reaction to your work.) (Day Six) Writing the proposal. (Day Seven) Writing the sample chapter. Revising your proposal. I'll be including a sample of a book proposal for you to look at, so you can see what material the proposal contains... Tags: plr
